

For 80 years, Fortune Lake Lutheran Camp has been a special place where God's abundant grace is not simply taught, but experienced.

Fortune Lake Lutheran Camp (FLLC) is owned and operated by the congregations of the Northern Great Lakes Synod of the Evangelical Lutheran Church in America (ELCA). It is licensed by the State of Michigan and is accredited by the American Camp Association. This nationally-recognized program focuses on program quality, health and safety issues.

Working with the ELCA Outdoor Ministries network, FLLC encourages spiritual growth by providing encounters with scripture, experiencing and caring for the environment, and offering opportunities for worship, recreation, and fellowship.

FLLC welcomes people of all faiths and all ages, during all seasons.

Fortune Lake has a long history of providing fun, creative, inspirational, and safe programs. Groups are also welcome to conduct their own retreats in facilities ranging from rustic to high-comfort accommodations.

Adopt-A-Cabin/Project Program

FLLC is a source of pride for congregations of our Association and members fondly talk about "their" camp. Over the years, individuals and groups have asked about "adopting" a cabin that is in need of some tender loving care. Others, on their own, have seized the opportunity and have spent hours tending to a specific camp project.

So, the Property Committee of FLLC extends this invitation:

"Let's make the camp ownership experience more intentional by putting the cabins, the trails, the beach, and other special projects up for adoption?"
