

# Support Your Camp with Thrivent Action Teams

Thrivent provides each of their members with the opportunity to apply for 2 Thrivent Action teams per year. Action teams can be to support fundraisers, service projects, or an educational event. Thrivent will provide you with a banner, t-shirts, and \$250 to support the project. We invite you to get a team together to support the ministry of Fortune Lake Lutheran Camp. Listed below are some easy service projects that could have a big impact here at camp. They can be done by a confirmation group, women's group, congregational activity or just a family or two teaming up! Please contact us before you apply to be sure there isn't another group hard at work on the same project! Most of these can be completed with the \$250 provided by Thrivent Action Team.

- ▶ Help us to make Fir cabin more Toddler/ Preschool friendly for family camp programs. Purchase toys, tables/ chairs and organize the space.
- ▶ "It only takes a spark to get a fire going," but it takes lots of wood to keep it going. Rent a log splitter and help us fill up our bins to keep fires going all year round.
- ▶ Help us be more welcoming to babies by purchasing and installing changing tables for Grace Lodge and Dining Hall bathrooms.
- ▶ We are always in need of help cleaning! Come for a few hours to deep clean a space and provide us with a new vacuum (Dysons are the only brand that survive the sand for more than a summer).
- ▶ Spruce up the villager cabins with new brooms, dust pans and floor mats.
- ▶ Help us keep the duplexes clean with new brooms, dust pans, and mops.
- ▶ Our bathrooms could be spiffed up with a clean and new shower curtains and bath mats.
- ▶ After one summer of use, it is clear the treehouse could use some large floor mats outside each door and small one inside each door.
- ▶ Come play a game! Re-paint the lines for our four square court and purchase new basketball, volleyballs, baseballs and playground balls.
- ▶ Have a picnic! Bring your lunch and build us a new picnic table for others to enjoy.
- ▶ Take a seat! Painted benches have long been a tradition at Fortune Lake. We could use many around the site to help increase the comfort of those that come to camp or provide new deck chairs for outside of our lodges.
- ▶ Help keep camp clean. Come clean camp up and provide us with garbage cans and "surrounds" to help keep us clean all year round.
- ▶ Make improvements at one of our overnight sites and purchase a new tent.
- ▶ Nothing says a camp meal like Pudgy Pies! Purchase some new irons for us and crates to store them in. Season them, so they are all ready for use!
- ▶ Help us keep our beach safe! Clean out the boat house and fill it with some new lifeguard tubes, whistles, and CPR masks.
- ▶ Kids love to play in the sand. Build a new sandbox, fill it with toys for lots of play.
- ▶ Make a joyful noise! Help us keep the music alive with guitar strings and picks, new copies of Holden Evening Prayer, and the ELW (cranberry hymnal).
- ▶ "A picture is worth a thousand words" they say. Help us to tell our story by providing new media equipment.
- ▶ Get creative. Come clean Arts and Crafts and fill it with supplies for next summer.
- ▶ Do you love to sew? Many our buildings could use some new curtains.
- ▶ Help keep kids safe and well. Prep our health office for summer and stock it with supplies.
- ▶ Have a painting party! Many of our buildings could use a fresh coat or paint and/or stain.
- ▶ Help us to update some of our lighting to energy efficient LED bulbs and fixtures.
- ▶ Update flooring duplexes.
